
**OPERATIONS & HR SENIOR ADVISOR
12 MONTH FIXED TERM CONTRACT**

Role and reporting

As a Operations & HR Senior Advisor you will be reporting to the Operations & HR Director.

Purpose of the role

This role is critical for the smooth operation of the firm. The individual should be highly organised, able to multi-task, professional and enjoy working in a busy and dynamic environment. Communication skills are key. As a service centre, you will work with all lawyers across the board, including the most senior people within the firm.

Working for a small team, means you will get exposed to a wide range of challenges and responsibilities (there never is a boring day!), including administrative tasks. Although there are inevitably occasions on which we work late, we try hard to achieve a work-life balance and Hausfeld operated an agile working policy long before the pandemic. We genuinely believe in what we are trying to achieve as a firm. This makes Hausfeld a refreshing place to work.

The firm

Hausfeld is an award-winning law firm bringing a visionary approach to resolving disputes in competition, commercial, tech, environmental, consumer and human rights law. We have offices across the US and Europe. We pioneered legal actions for damages in Europe and innovate by pushing further. We bring high profile cases which redefine the legal landscape. Since 2015, we have grown a commercial and financial services practice which has enjoyed an extremely high rate of success in the last five years. Our antitrust team has won many awards for the claims they brought, and so has our environmental team for their climate change cases.
